Pastel Materials

Each student will need:

A pad of Pastel paper, usually A4 in size and a choice of colours that you like. I prefer muted colours.

A set of soft pastels, 24 colours will be usable, makers such as 'Inscribe' or 'Faber Castel' are good. They can be purchased through shops like Hobbycraft, or online through 'Amazon', 'Jacksons' or reputable online stores.

A putty rubber/ kneadable eraser.

Blending sticks such as paper stumps, make up sponge sticks or cotton buds.
